Welcome...
Please see other side about Friday Special Guests and details on the program!

Imagine, create, Participate!

Miles City Public Library

Summer Reading Program

Welcome to the 2009 Program! Just like last year, there are four identical activity sessions to choose from. Choose the one that suits your family best. Special Guest Fridays are open to everyone, not just Program participants, so bring your friends and family!

Reading Goals

To earn a prize each week, participants must reach their reading goal for that week. Suggested goals are:
Preschool thru Grade 2 → 3 hours per week
Grade 3 and Up → 5 hours per week

Use your Reading Record to record your reading time and book titles each week. Pre-readers may use Active Listening to books/stories as their reading time. We will cash-in our first Reading Record during Week 2... so get reading!

Week 1 Rhythm & Music

Come make noise and music with the librarians and volunteer team this first week of the Summer Reading Program.

Special Guest Friday: We have a fantastic musical guest on the main floor of the library. Come sing along, listen and enjoy some treats; everyone is invited!

Week 2 Artist Keely Perkins @ the Library!

Special week— come on BOTH Tuesday and Thursday this week; local artist Keely Perkins has a fun project for us both days! Be sure to bring your Reading Record to earn your first incentive!

Special Guest Friday: Miles City Caledonian Dancers performing at the Library!

Week 3 Puppets on Parade

The puppet theatre comes out of the closet this week for some fun, hands-on puppet performances. We will also be making puppets to take home!

Special Guest Friday: Mad Scientists! Come dressed as a Mad Scientist for a special treat (see Mad Scientist below) and perform creative and fun science projects.

Week 4 Ain't Gonna Paint No More!

Quite the opposite— we're going to paint a LOT this week. We'll learn about Kente Cloth, practice face painting, and create some artwork with our bodies!?!

Special Guest Friday: Robin Gerber from Miles Community College helps us create Time Capsules!

Week 5 Drama Stars

Welcome all Drama Kings and Drama Queens— lots of theatre stuff going on this week.

Special Guest Friday: The Miles City Barn Players teach us about theatre: exercises, makeup, costumes and more!

Mad Scientists!!

Friday, June 19th

Come dressed as a Mad Scientist: lab coats, thick glasses or goggles, pocket protectors, rubber gloves, crazy hair, and anything else you can think of! We will be doing lots of fun stuff with science and our mad scientists— taking lots of pictures too!

Thank You's...

The Summer Reading Program is generously supported by the L.P. & Teresa Anderson Family Endowment Fund, the Miles City Woman's Club, Pizza Hut and Dairy Queen. A big "Thank You" to our team of teen volunteers: Dakotah, Billy, Donald, Jesse and Sam.
